BILL ANALYSIS

H.B. 1930
By: Keffer, Jim
County Affairs
Committee Report (Unamended)

BACKGROUND AND PURPOSE

The Brown County attorney's office is unlike most other county attorney offices because their operating budget is funded entirely internally, with only salaries being paid by the county. Hot check collection fees are the primary source of operating funds which pays for everything from the office supplies to travel and professional expenses, and actually supplements their salaries to bring them up to market rates. With banking technology continually advancing and more merchants instituting on-site check verification, it is likely that hot check collection revenue will substantially decrease in the coming years. Currently, the county attorney's office is only permitted to accept gifts of tangible items, which would require donors to purchase the items themselves before donating them.

H.B. 1930 will allow the Brown County attorney's office to accept gifts or grants from individuals, associations, trusts, corporations, governmental entities or charitable organizations for the purpose of furthering their operations.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

ANALYSIS

H.B. 1930 states the county attorney of Brown County or the Commissioners Court of Brown County may accept gifts or grants from any individual, partnership, corporation, trust, foundation, association, or governmental entity for the purpose of financing or assisting the operation of the office of county attorney in Brown County. The county attorney shall account for and report to the county auditor all gifts and grants accepted under this section.

EFFECTIVE DATE

Upon passage, or, if the Act does not receive the necessary vote, the Act takes effect September 1, 2007.

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The office of the county attorney in Brown County (office) is primarily funded by hot check collection fees. With banking technology continually advancing, allowing merchants to institute on-site check verification, it is likely that hot check collection revenue will substantially decrease in the coming years. Currently, the office is only permitted to accept gifts of tangible items, rather than monetary donations.

H.B. 1930 allows the county attorney of Brown County or the Commissioners Court of Brown County to accept gifts or grants from individuals, partnerships, corporations, trusts, foundations, associations, or governmental entities for the purpose of financing or assisting the operation of the office.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends Subchapter B, Chapter 45, Government Code, by adding Section 45.125, as follows:

Sec. 45.125. BROWN COUNTY. Authorizes the county attorney of Brown County or the Commissioners Court of Brown County to accept gifts or grants from any individual, partnership, corporation, trust, foundation, association, or governmental entity for the purpose of financing or assisting the operation of the office of county attorney in Brown County. Requires the county attorney to account for and report to the county auditor all gifts and grants accepted under this section.

SECTION 2. Effective date: upon passage or September 1, 2007.

900 Legal Notices NOTICE OF INTENT TO INTRODUCE NOTICE

This is to give notice of intent to introduce in the 80th Legislature, Regular Session, a bill to be entitled an Act relating to gifts and grants for financing or assisting the operation of the office of county attorney in Brown County.

The purpose of this bill is to allow the Brown County Attorney's Office and the County Commissioners to accept gifts or charitable donations for the purpose of deferring costs of operation of the County Attorney's Office. This would allow the office to accept funds from charitable grants and from fees assessed to offenders for the purpose of funding operations. The ultimate goal is allow the County Attorney's office to continue to operate funded by offenders rather than by law-abiding Brown County taxpayers.

All funds collected or expended would be accounted for with the Brown County Auditor, therefore maintaining ethical vigilance and constant oversight.
